UNDERGRADUATE PROGRAM

Writing Skills Assessment (WSA) Registration Information: Special Accommodations

Application Period: Winter 2017

Your WSA score provides a reliable and quantitative measure for one of the factors on which we base our admission decision: your ability to think analytically and to communicate ideas in writing.

- Two essays - the persuasion task and the position task - are scored on a six-point scale and the scores are averaged to create a WSA score.
- Essays are scored by communication specialists.
- No dictionaries or calculators are allowed at assessment sessions.
- You will be notified of your WSA results with your admission decision.
- If you are not applying this application period, you may obtain your score by contacting the Undergraduate Programs Office (UPO) after December 15, 2015.

Registering for and Taking the Assessment

- You must register to take the WSA. See WSA registration forms on the following pages.
- Registration will begin July 1, 2016; forms received before then will be held for processing after that date.
- To apply for autumn 2016, you must take the WSA on or before October 5, 2016.
- You may take the WSA once per application period (July 1 - October 5, 2016)
- Bring a valid picture ID with you to the testing session.
- Be sure to print your email address clearly and use one you check regularly.

Using Scores

We will use the highest valid score we have on file. Valid scores are those from July 1, 2014-October 5, 2016. Scores are verified by name and student number and/or social security number.

- Please provide supporting documentation with your registration form. Documentation must include an academic accommodations plan from your current institution. We do not need the evaluation from your provider.
- You will be contacted to schedule a testing time during normal business hours: Monday - Friday, 8 am to 5 pm.
- UW Students: You can schedule your WSA with the Disability Resources Office in 011 MGH.
