Mates Abroad Program and social events

Each semester, hundreds of Study Abroad and Exchange students are paired with enthusiastic Australian student mentors through the Mates Abroad Mentoring program. The mentors help our international students ease into Sydney life, foster an international culture amongst their peers, and share exciting adventures in Australia together. Our international and local students are paired based on study disciplines, country experiences and interests.

All mentors are required to officially apply to be a mentor, participate in a pre-semester mentor training workshop as well as providing monthly feedback to Sydney Global Mobility to assure all mates are well cared for. Our Mates Abroad Mentors play an integral role in the life of our inbound students as they experience studying abroad at The University of Sydney and learning what it truly means to be Australian.

Popular social events include:

Breakfast with the Koalas

This unique and exciting opportunity gives our students to opportunity to enjoy a private behind-the-scenes tour of Sydney's WILDLIFE zoo without all the tourist crowds! After the tour, students are treated to a Aussie BBQ breakfast under the canopy of Eucalyptus gum trees and our favourite native Koala friends.

Sydney Harbour Evening Boat Cruise

A cruise on the Sydney harbour is a 'must' for any visitor. Students have the chance to meet other international students while sailing on one of the world's 'most beautiful harbours' and enjoying a beautiful evening sunset with dinner and drinks.

Learn to Surf Camp

Get a taste of the Australian surf culture!

Study Abroad and Exchange students can sign up to surf camp that takes them just a few hours south of Sydney. The crystal clear waters of Sydney's south is the perfect setting to get our students out in the waves, all the while making new friends that will last a lifetime!

Hunter Valley Weekend Away

Relaxation and adventure!

After getting up close with Australian native reptiles, koalas and kangaroos in Sydney, students travel north to the Hunter Valley wine region the learn the finer points of wine tasting for an alternate start to semester. Following this they head to Port Stephens for a dolphin watching cruise and sandboarding.

Aussie BBQ and Football experience

Australians enjoy many different sports and 'Aussie Rules' is one that is uniquely Australian! There is no better way to get an insight into Australian culture and meet some of the locals by getting amongst the crowds, supporting a local team and enjoying it all with a great Aussie BBQ.

Farewell event

A semester at the University of Sydney would not be complete without a farewell event. Hosted by our Mates Abroad Mentors in our historic Great Hall, this is a social event for students to celebrate the completion of their studies, the experience they've had and the new friendships they have made along the way.
