USEFUL INFORMATION FOR ALL PROGRAMMES

➤ INSURANCE
Health insurance in France may be very different from the insurance you have at home. Requirements and procedures vary based on the length of your stay, your age, your home country, and whether or not you are a full-time student.

Fee-paying degree-seeking students first need to apply for the CVEC (Contribution Vie Etudiante et Campus), which costs about €90 and should then register on the national insurance at estudant-etranger.ameli.fr (free of charge).

Non EU Exchange students only need to register at estudant-etranger.ameli.fr.
EU students citizen of the EU/EEA or Switzerland, you can ask for a European health insurance card, before you come to France as proof of membership in a European health insurance scheme. You do not need to register online on estudant-etranger.ameli.fr.

Registration procedure may take a while after your arrival; therefore we strongly recommend students staying at Audencia Business School for only one semester to take out private health insurance for their entire stay.
For more detailed information, please see the Campus France website: www.campusfrance.org.

➤ STUDENT CARD
In order to obtain the Student Card, students must be insured for the entire length of their stay in France. This student card cannot be delivered without the proof of the insurance coverage. Students must also provide an appropriate ID picture upon registration.

➤ VISA
All non-European students who will be in France studying for longer than 3 months must apply for a student visa. This must be done at your nearest French consulate or embassy no later than 3 months before your prospective arrival date.

For detailed information and guidelines for your country of origin, please visit the Campus France website, or visit the respective French embassy/consulate website for your country.

On arrival in France, students will need to validate their visa through the following website: visa validation

➤ ACCOMMODATION
No on-campus housing.

Students can choose from several housing options, including rooms in student residencies; homestays with local families; and private apartments, studios and flats.

Audencia has a housing platform that will give students information on what’s available. Once nominated, students can access it easily at audencia.studapart.com/en/.

Students should book their accommodation as soon as they are accepted, as procedures can be long.

➤ FINANCIAL SUPPORT
In France, if you rent a private room or an apartment, you may be able to qualify for financial aid for housing. Please visit the Caisse d’Allocation Familiales (CAF) to find out about your eligibility.

Please note that in order to obtain financial aid, when you arrive in France, you will need to provide the CAF with information such as:

- Passport
- Housing contract
- French student card
- Birth certificate (translated in French)
- Social security card or number
- Three passport photos
- Valid student visa with OFII stamp (if applicable)

➤ LIVING COSTS
Accommodation: 500-650 €/month | Food: 200 €/month | Other expenses (transport, leisure…): 200 €/month
