Your Hybrid MBA experience begins...

YEAR 1

AUTUMN

Kick off your Hybrid MBA with a five-day, in-person meeting on the UW Seattle campus.

Then return home and continue to learn online, mostly on your schedule.

WINTER

Begin with four days on campus, then return home.

SPRING

Spend four more days on campus, then return home to finish the school year.

YEAR ONE COMPLETE!

The Hybrid MBA is life compatible, too. With no courses during the summer quarter, you can use this time to focus on what matters most.

YEAR 2

Now it's time to bring everything together and expand your experience through electives and experiential learning opportunities.

AUTUMN

Embark on an optional 6-10 day International Study Tour and gain access to key global business leaders.

ELECTIVES

Broaden your knowledge and enhance your degree with electives.

WINTER

Spend four days on campus, then return home.

SPRING

Wrap up your Hybrid MBA on campus by presenting your team-driven capstone project.
