

MBA Program Leadership Positions

Outside of the MBA Association and MBA Club officer positions, there are other MBA Program leadership opportunities available. Some are elected positions, the positions that are filled via application, and others that are created as students identify needs in the community and step up to offer leadership to fill those gaps. Below is a listing of the current open positions and a sampling of what has been done in recent Foster history.

Intramural Sports Program Coordinators

- In recent years, the Foster MBA program has fielded successful teams in flag football, basketball and rowing, but the University also offers countless other sports in which to compete, if there are students interested in creating a team.
- Creating an intramural team is quite simple, and starts with a visit to the UW [intramural sports webpage](#).

On-going opportunities

Peer Support

- Many informal leadership opportunities are available, doing things such as providing peer support on coursework and/or personal issues, running review sessions for classes, tutoring classmates, providing instruction on topics of interest to fellow students, and organizing outings for students and/or their families.
- This leadership opportunity can be as time-consuming as you wish/design it to be.

On-going opportunities

UW Committee Memberships

- Participate in University decision making at a higher level by joining one of hundreds of committees, which range from Bicycle Commuting to Campus Master Planning to College Reorganization.
- For more information, visit this Graduate & Professional Student Senate [webpage](#).
