- PSB IP (BBA International Program) - Undergraduate

**PSB MIM - Master in Management:**
This program consists of three years of Bachelor level studies (Undergraduate) and two years of Master level studies (Postgraduate). It has now achieved 5 national and international accreditations. International students can join this program for both under and postgraduate, either in English or French.
PSB IP (BBA International Program)

Course selection

The module selection is done once the student is accepted. The first week of lecture is the “add & drop period” during which any changes have to be reported and approved by the PSB IO. After that, modules cannot be changed or removed and will later appear on the transcript.

Students can take a workload from 5 ECTS and up to 30 ECTS per semester (1 course minimum and up to 6 maxima per semester).

French Language Course

PSB Paris School of Business offers French language classes for international students. They are optional at different levels and take place during the semester. Students will receive ECTS for successful participation.

Transcripts

The Transcript of Records will only be sent to the International Office of the home university up to 6 weeks after final exams. A copy can be sent to the student by email upon request.

Grading System

Both French System grades and Letter grades (US) appear on the Transcript of Records.
