“Neighborhood Tours” and Goodbye Drinks with current Foster MBA students

Join students and their Blue Dots in select neighborhoods where many Foster MBAs choose to call home! Soon before Welcome Weekend, the MBA Admissions team will share a neighborhood guide of where students choose to live and why. On Saturday morning, use our shared Lyft codes to travel to neighborhood meetups, whether they be at a local coffee shop, bakery, or student’s home. Ask questions about why their chosen neighborhood works best for them and imagine what your life could look like just blocks away!

After your neighborhood visits, join the rest of the group for a goodbye drink to cap off Welcome Weekend at [Fremont Brewing](#) in their urban beer garden, another Foster favorite.
